Dear Sir

Referring to letter of yesterday about Mr Kendall's services.

When I left Mr Kendall this morning about his second term of service would come to a close on 31st March 1895, he said that between the first & second terms mentioned by you there was

a period of about one year during which he was retained in the service of the Cali Industrija, and that calculating the period of two years to run from the expiry of that intermediate period, the first term of his engagement would not close till about the end of 1895. He deems Shaw no document in his possession.

Shaw myself am knowledge of

Respects, Lt. Col. McIntire said when he was here last that he was still out another year from the Kendall's engagement.

Will you kindly favor me by letting me know how the matter is, that I may govern myself accordingly.

I remain.

Yours truly,

L. Anantaswami Bro's
